About Us

Manufacturers of Pre-Cast Concrete Compound Walls, Pavers, Kerbs, U Drains, Car Stops and Tree Surrounds

- Founded in 2012, A C Pre Cast Concrete has established itself as a reliable name in the Pre-Cast Concrete Products industry in Karnataka
- We began our journey as a cement and steel dealership in the year 1991, and then subsequently diversified into construction services and manufacturing of pre-cast concrete products
- Today, we boast of having vast experience, a strong technical base, a versatile team and a varied list of clientele

Features & Benefits

- Our Pre-Cast concrete products are manufactured using high strength concrete in controlled conditions
- They are 'Wet-Cast' and hence are superior with a smooth grey finish
- They are manufactured using the vibro-compaction process which makes them strong, durable and wear resistant
- Environment Friendly manufacturing process with no wastage
